

# L1.2 MASTER OF MARINE AIDS TO NAVIGATION MANAGEMENT COURSE

## PARIS 10 – 14 JUNE 2024

### BACKGROUND

Are you passionate about Marine Aids to Navigation management and provision? Elevate your expertise with our comprehensive Master of AtoN Management course. Designed for senior management personnel responsible for AtoN services, this course equips you with strategic insights and practical skills to lead and govern AtoN operations effectively.

Whilst the Level 1.1 course focuses on training the operational, technical and managerial aspects of AtoN service provision at a practical level, the L1.2 Master of AtoN Management course addresses key aspects of AtoN governance from a strategic perspective aimed at senior management personnel concerned with AtoN service provision or its supervision.

### LEARNING OBJECTIVES

Dive into governance, policy development, and strategic management related to AtoN services.

The subject areas covered in the course include:

- Governance of AtoN services
- Strategy development
- Policy formulation
- Maritime regulation
- Stakeholder engagement
- Funding strategies
- Human resources planning
- Preparation of strategic plans

The course consists of two main parts. Part one is a set of interactive lectures from a range of experts covering essential knowledge areas for senior AtoN managers. In the second part participants engage in a group task to strategically analyse an AtoN authority.

To successfully complete the course, participants will be expected to contribute to the interactive lectures, discussions and group exercises, sharing their knowledge, experience and perspective.

### ATTENDEES

Potential participants are expected to meet the following criteria:

- A demonstrable competence in English to IELTS level 5 or equivalent; and
- At least one of the following proven competencies or qualifications:
  - L1.1 course alumni, ideally with at least two years subsequent experience as an AtoN manager; or
  - at least five years evidence backed experience as an un-certified AtoN manager in an internationally recognised AtoN service provider; or
  - at least five years' experience in the maritime department of a national competent authority or maritime administration.

Candidates not meeting the criteria above but holding a demonstrable competence in the English language to IELTS level 5 or equivalent, may still apply and should submit an application accompanied by a CV to the IALA World-Wide Academy at [academy@iala-aism.org](mailto:academy@iala-aism.org), for consideration.

### COSTS

The cost of this four-day course is **€1,000 and includes all lectures and course materials**.
